About Us

Purpose

The Steps Alano Club, (a non-profit 501c3 organization), provides meeting space for 12 step recovery fellowships and supports the recovering community through service and fellowship. Founded by members of the LGBT+ community all persons seeking sanctuary from addiction are welcome.

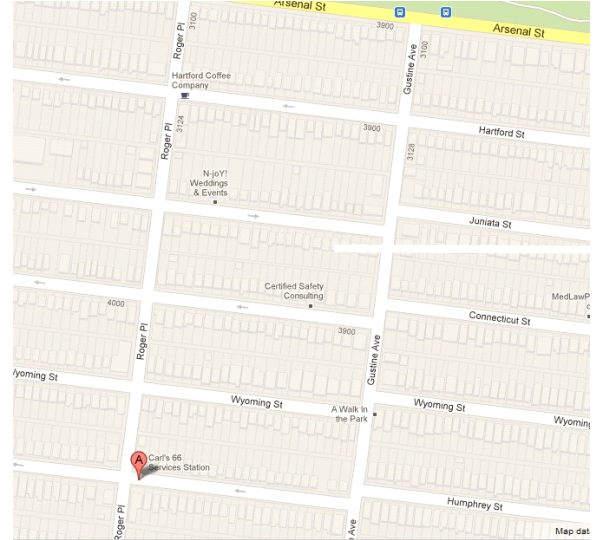

History

The seeds for a gay and lesbian Alano club in Saint Louis were first sown in the fall of 1986. After three years of planning and fund-raising the Steps Alano Club proudly opened its doors at 1935A Park Avenue on December 20, 1989. For more than 17 years, as landlord, the Steps Alano Club provided a safe place for the LGBT+ recovery community at that location.

Facing substantial costs to replace the heating, air conditioning, and electrical in an already deteriorating building, the Steps Alano Club board of directors and the membership-at-large, concluded the interests of the club would be best served by moving to a new location.

Less than three months later the Steps Alano Club opened the doors at 3974 Humphrey Street on January 20, 2007. Currently there are more than 20 meetings held at the club each week. The Steps Alano Club is home to Alcoholics Anonymous (AA), Narcotics Anonymous (NA), Al-Anon Family Group (AFG), Codependents Anonymous (CODA), Adult Children of Alcoholics (ACA), Heroin Anonymous Junkyard Gems (HA-JG), Sex Addicts Anonymous (SAA), and Sexual Compulsive Anonymous (SCA). One of the oldest gay Alcoholics Anonymous groups in the nation dating from 1974 holds meetings at the Steps Alano Club.
